sanitation

Join us in keeping New York City clean with our Adopt-a-Basket Program!

We'll supply you with plastic liners, a collection schedule and a local DSNY contact. When the baskets are $\frac{3}{4}$ full, remove the liner, place it next to the basket and insert a new liner.

You can also purchase a high end litter basket that boasts your name and logo through the Sponsor-a-Basket program.

Get involved at nyc.gov/adoptabasket or email customerservice@dsny.nyc.gov.
